SUPPLEMENTAL ORDER

Case No. DOPL-2006-79

BY THE DIVISION:

The Division's Stipulation and Order, dated February 12, 2007,
is hereby supplemented as follows.

In addition to the probationary conditions/restrictions
identified in the February 12, 2007 Stipulation and Order and as
recommended in the forensic evaluation conducted by Dr. Peter Byrne,
Respondent shall also abide by the following condition:

1. Respondent is to begin treatment regarding the
defensiveness and accountability for his sexual
misconduct with a patient to include multiple measures
including the clinical interview, MMPI-2, MSI-II, and
Monarch 21 PPG. Therapy should also address PTSD
symptoms related to his response to the tragic loss of
his first wife. It was also recommended that Respondent
and his current wife attend couple's counseling to
address his sexual misconduct. Respondent should be
challenged in treatment to formulate some adaptive
coping mechanisms with regard to his PTSD therapy.
